# BEAUTY & THE DIRT

*Welcome to Mimi's world, you might never want to leave...*

Another substitute for the Easter egg is the Easter fish, available at our favourite posh bakery, **Paul's Patisserie**. Delicious brioche shaped like fish dipped in chocolate £2.30 each. If you haven't tasted anything from Paul's yet you really must, cakes and bread to die for - oh keep your trainer on speedial throughout this holiday.
